Graduate School Attending with Scholarship	
Department Address	Phone
Area of Study (Please list advanced degree obtaining: ex. MS/PhD)	Expected Graduation (MM/YY)

# Application Information

## 3. Academics (Continued)

**Required:**

Attach a copy of your college/university transcripts through the conclusion of the most recent period (quarter, trimester, semester). To aid the Committee’s review, indicate cumulative mark or grade point average here and identify the scale used (e.g., 4.0 on a 4.0 scale), if applicable.

Applicant’s GPA or cumulative score	Maximum in the scoring/scale used
<input type="checkbox"/> Graduation verification for schools from which degrees are reported.	
<input type="checkbox"/> A copy of your acceptance letter to graduate school if this will be your first year attending that school.	

## 4. Relationship of Studies to Solid Waste Management (45% of Total Score)

**Required:**

- Complete and sign or verify the attached page** asking for additional information about coursework, research, and internships as it relates to environmental science, engineering, or other suitable major related to the field of solid waste management and/or a potential career in the industry.
- Attach a letter about your academic performance from your faculty advisor or key professor in your studies related to environmental science, engineering, or other suitable major related to the field of solid waste management.

## 5. Other Activities (10% of Total Score)

**Required:**

- Complete the attached page** describing your involvement in any **other programs or activities**.
- Attach documentation and/or letters of support that will help the Scholarship Committee appropriately score your application. If you did not participate in any other activities, sign the bottom of the blank page.

**Optional/If Available**

- Attach a current copy of your resume.

## 6. Essay Question (20% of Total Score)

**Required:**

Attach a one-page essay about the way in which you, as a result of your studies, intend to contribute to improving the management of waste as a resource or to addressing an environmental issue related to solid waste. ***Please do not use a prior year’s essay for those who are re-applying for this scholarship.***

## 7. Financial Need (OPTIONAL)

You may attach a short statement of your financial need, describing how this scholarship will help offset tuition and related expenses and listing any other scholarships or educational funding received to date. Please do not attach forms or other documented containing confidential personal information.

## 8. Signatures

Signature of Applicant	Date
Signature of SWANA Sponsor	Date

Category 3

# Completed Course(s) List

Please provide the course title, credit hours, grade earned, and up to 25-word description of your course work as it relates to environmental science, engineering, or other suitable major related to the field of solid waste management and/or a potential career in the industry. Copy the page if you need more space.
